Ms. Khan and Ms. Corbett:

Attached please find summonses for your appearance to testify in the matter of Commonwealth v. [REDACTED] docket [REDACTED] in the Malden District Court. I am trusting that PDF delivery will get these to you properly – please let me know if for any reason you need them delivered any other way. You each did a portion of the analysis on a heroin sample from this case – Ms. Khan did the initial screening, and Ms. Corbett did the confirmatory tests. The sample number was [REDACTED]

I ask that you please send me copies of all documents in your file on this matter, so that I can provide them in a discovery packet to the defense attorney. I already have copies of each of your CVs.

I **do not expect this matter to go to trial**, so I would be asking only that you be on-call on the trial date (3/23/10) to the degree possible, just in case. The case is charged as a simple possession case, so you should most definitely put it at the bottom of the list, if you find yourselves summonsed to other matters.

If you cannot be on-call for any reason, please let me know. I will be doing everything I can to resolve this without having to bring you in, short of just walking away from it.

Thank you. Please feel free to contact me if there are any questions.
